

THE COMING HEALTHCARE REVOLUTION

10 FORCES THAT WILL CURE AMERICA'S HEALTH CRISIS

HEALTHCARE LEADERS REACT TO THE NEW BOOK
FROM DAVID W. JOHNSON AND PAUL KUSSEROW

ENDORSEMENTS

William H. Frist

MD, former U.S. Senate Majority Leader;
Co-Founder and Managing Partner,
Frist Cressey Ventures

"Essential reading for anyone who wants to understand healthcare today. ... I applaud this brave book."

Nancy-Ann DeParle

Former White House Deputy Chief of Staff
Former Administrator, Center for Medicare and
Medicaid Services (CMS) Managing Partner and
Co-Founder, Consonance Capital

"A roadmap of innovative initiatives that could get us to a better place."

Jeb Bush

Former governor of Florida;
Chairman and Founding Partner,
Finback Investment Partners

"A critical warning bell for our current healthcare system and a call to arms."

David Feinberg

MD, Chairman, Oracle Health

"Whole-person health is not only possible, but probable within the next 10 years."

Sam Hazen

CEO, HCA Corporation

"A deep analysis about the current challenges in the healthcare industry and some possible pathways forward."

Glen Tullman

CEO Transcarent

"One quality experience will change everything."

Kim Keck

President and CEO,
Blue Cross Blue Shield Association

"This book shows us the path that got us here and a way to move forward."

Harvard Business School
Former Chairman and CEO, Tenet Health

“The case for the revolutionary change that needs to happen.”

Robert Pearl

MD, Stanford University; Former Executive Director
and CEO, The Permanente Medical Group

“A must-read for both the providers and recipients of medical care.”

Wyatt Ritchie

President, Cain Brothers

“Johnson and Kusserow predict more change in the next 10 years than in the last 100. Buckle up!”

Trent Green

CEO, Amazon One Medical

“There are many ways, many of which are highlighted in the book, to reduce friction and eliminate waste.”

Dan Mendelson

CEO, Morgan Health

“‘The Coming Healthcare Revolution’ concretely describes the 10 forces rewiring America’s health care industry in real time.”

Jonathan Kolstad

Henry J. Kaiser Chair at the Haas School of Business and Economics Department,
Director of the Center for Healthcare Marketplace Innovation
at UC Berkeley

“Johnson and Kusserow provide a front row seat to the coming revolution.”

Richard Ashworth

President and CEO, Amedisys

“This book eloquently highlights how we got here, what the consequences of doing the same things we’ve been doing have been, and what we do next.”

Michelle Williams

Former Dean, T. H. Chan Harvard School of Public Health

“Balancing health promotion and population health with better and more equitable access to treatment is exactly what will enable all Americans to thrive.”

Ann Jordan

JD, CEO, HFMA

“Compelling narrative.”

Lucinda Baier

President and CEO, Brookdale Senior Living;
Chair, Nashville Health Care Council;
author of “Heroes Work Here”

“A clarion call for change and transformation from two of the most strategic minds in healthcare.”
